Share Your Views Volunteer Panel Member

Hull and East Yorkshire Mind is seeking Volunteer Panel Members to help shape the direction of our services, including recruitment, policy development, and new initiatives. As a panel member, you'll play a vital role in co-production and decision-making that impacts the future of the organisation.

What the Role Involves:

- Opportunities to be a part of interview panels for recruitment
- As a panel member, you will contribute to review process of services, facilities and help shape the direction of volunteering within the organisation
- Participating in panel meetings
- Flexibility to work in a hybrid role (combination of in-person and remote involvement)

Skills and Experience Required:

- Lived experience of poor mental health
- Relevant life experience
- Experience working with individuals experiencing poor mental health (ideal)
- Interest in sharing opinions and being part of a collaborative forum
- A desire to contribute to recruitment processes and service development
- Means of travel to attend interview panels when required

What You'll Gain:

- A deeper understanding of mental health and its effects on individuals and communities
- Enhanced organisational and communication skills
- Opportunities to meet new people and contribute to a supportive team
- Ongoing support from the Volunteer Coordinator and team members
- Paid expenses, as well as relevant training and induction
- Opportunities for training and upskilling
